Google has made its services available to organizations using Google Apps. In addition to the [core suite](#) of messaging and collaboration applications, you may access many [Google services](#) ("Additional Services") using your 19jausbie@busd.net account. Your busd.net administrator determines which Additional Services you may access using your account. For tips about using your new account, visit the [Google Help Center](#).

Please be aware that when you use Google services, your domain administrator will have access to your 19jausbie@busd.net account information, including your email. You can learn more [here](#), or by consulting your domain administrator's [privacy policy](#), if one exists. You can choose to maintain a separate account for your personal use of any Google services, including email. If you have multiple Google accounts, the username that appears at the upper right corner of most Google services will help you ensure that you're using the intended account.

The Additional Services are provided by Google to you under these [terms of service](#) and [privacy policy](#). Certain Additional Services may also have [service-specific terms](#). If your domain administrator enables any of the Additional Services, Google will treat your use of any of the Additional Services as acceptance of the applicable service-specific terms.
