August 1, 2023

Hello Sierramont Families,

Welcome to the 2023-2024 school year! We are excited about the upcoming school year and seeing all of our fantastic students. The first day of school is Thursday, August 10th. The start time is at 8:00am. Students will need to report to homeroom by 8:00am. We suggest students arrive at school before 7:55am every day. Regular Dismissal time will be at 2:35pm. Thursday dismissal will be at 1:05pm. As the first day of school falls on a Thursday, students will be dismissed at 1:05pm.

[Daily Bell Schedule](#)

We will have our WEB Orientation Day for our incoming 6th graders and students new to Sierramont on Tuesday, August 8th from 8:00am - 12:00pm. Lunch is available from 12 -12:30 for \$5 for those students who wish to stay. We will need a head count so that we buy the right amount of food. We will send out a separate email to 6th grade and new families for the head count. WEB Day is for students only. Our student WEB Leaders will be contacting our 6th graders and new students to give them information about WEB day.

While 6th grade students are attending WEB, **parents of 6th graders** will be turning in the Student Verification Forms (sent through the mail) and Forms A, B, C, D and E (CLICK LINKS BELOW). Parents will also be able to purchase PE clothes and locks, get your child's schedule and pick up your child's set of textbooks to keep at home. **Parents may turn in forms in the line at the back of the school from 8:00am to 12:00 noon on Tuesday, August 8th. (The line moves quicker if you come after 10:00 am.)** In addition, if you do not have access to Infinite Campus, our student database system to see your child's grades and assignments, we can sign you up (Parents, please make sure to have your ID). If you have had access to Infinite Campus through an older child or if you had access in the elementary school, your login and password is the same.

7th grade parents or students may come to drop off forms on **Wednesday, August 9th from 8:00am to 10:00am**. You must bring your Student Verification Form and Forms A, B, C, D and E. If you have your student ID, please bring it to speed up the process for checking out your textbooks. **8th grade parents or students** may come to drop off forms on **Wednesday, August 9th from 10:30am to 12:30am**. You must bring your Student Verification Form and Forms A, B, C, D and E. If you have your student ID, please bring it to speed up the process for checking out your textbooks.

[23-24 First Day Packet Information](#)

If you cannot print out the forms, you can pick up the forms from the school office.

Students and families that are unable to come at their assigned time can return the papers on the first day of school in homeroom. All students will get another copy of their schedule on the first day in homeroom.

COVID INFORMATION

Sierramont will have on campus testing available for students and staff on Tuesday from 7:30am - 3:30pm. We will send information on how to register your student. In addition, if you need home test kits, we will have those available in the office. We ask that if your child does test positive during the school year, please let the school office know so we can send you the current protocols, as well as, send home required close contact information.

We are asking each family for a donation of one ream of copy paper and a box of tissue (Kleenex) to help the office support the classrooms throughout the year. [DONATION NEEDED](#)

Please reserve Thursday, September 7th from 6-8pm for Back to School Night.

We look forward to an exciting school year. Please reach out if you have any questions. You can also get information from our **school website**: <https://sierramont.berryessa.k12.ca.us/>

Regards,
Carol Mar
Sierramont Principal
