August 30, 2019

Dear Sierramont Parents,

We have completed our first two weeks of the 2019-2020 school year. The students will begin the rotating schedule on Tuesday, September 3rd. I look forward to seeing all of you on Back to School Night (September 5th at 6pm).

Due to an increase in enrollment this year, we need to add an additional teacher to help lower class sizes. This will in some ways affect several students in all grade levels. Some classes will change teachers. Some students will have their schedules changed. A new core teacher will be hired for 6th grade. All of these changes are to lower class size and to address our growing enrollment.

While we realize that many of us do not like change, we do need to make these changes in accordance with district guidelines. Sierramont has an all around excellent staff and every student will receive a rigorous curriculum and course of study that will prepare him/her for high school.

There will be a few changes made this week but the major changes will be made by September 6th so that new classes will begin on Monday, September 9th. This date is due in part to the hiring process.

We appreciate your cooperation and support in this matter.

Sincerely,

Carol Mar
